

PHASE IV BRAINSPOTTING with DAVID GRAND

From May 1st to 3rd, 2020 in BARCELONA

Also by Videoconference **online**

- This is an advanced, evolved, innovative training in Brainspotting.
- This training presents three video analyses of client sessions conducted by both of Dr. Grand and those submitted by training participants.
- Each morning a video of a Brainspotting session will be presented by Dr. Grand which he will carefully analyze, interaction by interaction, with a high level of participant interaction (comments and questions)
- During each afternoon Dr. Grand will present three different advanced Brainspotting techniques including:
Dreamspotting,
The Expansion Model and
Bodyspotting.
- Each technique will be taught with PowerPoint lecture, a live demo and a participant practicum.
- This training is open to all brainspotting therapists who have completed Phase I and Phase II Brainspotting.

Given by David Grand, Ph.D., Discoverer of Brainspotting
